REISSUE DECLARATION AND POWER OF ATTORNEY

Sir:

I, Irving I. Dardik, applicant for reissue of U.S. Patent No. 5,752,521 (hereinafter, "the '521 patent") declare that:

1. I am a citizen of the United States of America residing and having a post office address at 7 Fieldview Lane, Califom, New Jersey 07830.

2. I have reviewed and understand the contents of the specification of said application for reissue, including the claims, and verily believe that I am the original, first, and sole inventor of the subject matter which is claimed and for which patent is sought on the invention entitled "THERAPEUTIC EXERCISE PROGRAM."

3. I own the entire right, title, and interest in the '521 patent; no assignee exists.

4. I make this declaration under 37 C.F.R. § 1.175 in support of this application for reissue.

5. I acknowledge my duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56(a).

6. I verily believe that the '521 patent is partly inoperative by reason of said patent claiming less than I had a right to claim in said patent.

7. There are seven (7) claims in the '521 patent. Claim 1 is the only independent claim. Claims 1-7 are method claims. During prosecution of the '521 patent, the prosecuting attorney failed to present claims to other statutory categories of invention, including claims directed to an article of manufacture and an apparatus. This error is corrected by new claims 8-21.

8. All errors being corrected in this reissue application arose without any deceptive intention on my part.

9. I hereby appoint Thomas L. Secrest, Registration No. 30,145, Robert R. Jackson, Registration No. 26,183, Jeffrey H. Ingberman, Registration No. 31,069, and Brett G. Alten, Registration No. 42,258, our attorneys, with power of substitution, and with power of appointment of associate attorneys, and of revocation of their powers, to prosecute this reissue application and any divisions, continuations in whole or in part, renewals and reissues of the same, and to transact all business in the Patent and Trademark Office connected therewith. I request that communications be sent to:

Brett G. Alten, Esq.

and that telephone calls be directed to:

10. I hereby declare that I understand the English language, and that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and may jeopardize the validity of this application or any patent issuing thereon.
